

# Early-Stage Companies

## UNDERSTANDING YOUR CHALLENGES

We recognize that the needs of early-stage entrepreneurs are not necessarily those of a company farther along the funding spectrum. You are a company with an entrepreneurial spirit, but need help getting the company on the right financial track now in order to avoid problems later. You require the same close relationship with your advisors but at a reasonable rate given your stage of development.

## SOLUTIONS

Steeplechase's professionals partner with you to provide solutions to the accounting and tax issues facing early-stage Technology companies:

- Assurance Services
  - Financial statement audits and reviews
- Accounting Assistance Services
  - Accounting system set-up
  - Review of accounting information to highlight possible instances of non-compliance with Generally Accepted Accounting Principles
  - Capitalization table set-up and maintenance
  - Financial forecast assistance
- Tax Compliance and Consulting
  - Preparation of corporate federal and state tax returns including a review of previous year tax return
  - General tax consulting including payroll, sales tax and multi-state and international tax issues

## SERVICE STRATEGY

Our unique "No Surprises" billing guarantee means that you can engage us with the confidence of knowing that you have access to some of the best technology-focused accounting and tax professionals for a reasonable, fixed monthly amount.
